Career History

<i>Little Overlord</i>	Founder / Designer / Content Producer	Dec 2015 Present
------------------------	---------------------------------------	--------------------

Littleoverlord.com is a community website about pop culture, comics, comedy and video games. I launched the site to showcase my videos, podcasts and interactive designs. The site averages 4000 unique visitors a month (www.littleoverlord.com).

<i>Zero Limit / Fansided</i>	Features Writer / News Desk	Sep 2014 Dec 2015
------------------------------	-----------------------------	---------------------

Zero Limit is a web platform for covering the worlds of Science Fiction and Fantasy. Movies, television, video and tabletop games, novels and short stories: If it takes place in an imaginative world, the far future, alternate dimensions and beyond, we'll cover it (www.zerolimitmagazine.com).

FanSided is one of the fastest growing network of fandom-focused sports, entertainment and lifestyle sites on the Internet. The company is a thriving collection of over 300 communities dedicated to bringing together fans to share their common passion (www.fansided.com).

CarsYours.com is a disruptive technology start-up that connects car buyers and sellers. It builds trust and walks the buyers and sellers through a proprietary, secure and integrated mobile platform.

- I created persuasive landing pages and related marketing communication materials.

Neo Studios is a design agency that created customer engagement apps, websites, and video. We did everything that you could imagine to drive sales, enhance brand awareness and build customer loyalty relationships.

- I implemented a targeted social ad campaign that drove traffic to various microsites and landing pages. I also followed-up with prospects via email and phone.
- I imagined and created interactive experiences for use with ads and social media campaigns.

Education

- College of Lake County
 - Computer Information Technology
 - 2015 - 2016
- Northeastern University
 - Computer Science
